Financial economic development incentives apply to most businesses and property owners in the Greater Fulton Market area:

- **Chicago Kinzie Corridor Tax Increment Finance District**

This \$80 million financial zone can offer business expansion rebate grants: \$150K maximum for industrial businesses, \$100K maximum for commercial businesses.

Funds can be used for business renovations and property improvements. Funds are generated by local property taxes. Applicants must meet eligibility criteria.

- **Illinois Enterprise Zone**

Businesses and property owners save 10.25% sales tax on building materials.

- **U.S. Empowerment Zone**

Businesses west of Racine St. can gain employee tax credits.

- **ComEd & Peoples Gas Energy Efficiency Improvements Cash Rebates**

- **U.S. Small Business Administration Low-Interest Loans**
