CRIME TRENDS

- Pedestrian robberies
- Vehicle break-ins
- Building break-ins
- Counterfeit money
- Package theft from homes

PEDESTRIAN SAFETY

- Carry minimal valuables
- Hands out of pockets carrying personal protection device
- No headphones or watching phone as you walk
- Phone ready but not visible, single earpiece, emergency-response app on phone
- Purse or laptop hidden under coat
- Hair tied up to avoid criminals pulling hair
- Shoes ready to run
- Walk with others
- Walk in lighted areas or in middle of street, beware dark spaces between buildings

- Walk away from suspicious activity within 30 feet
- Call 911 if you see a suspicious person or vehicle, provide ample details
- Call 911 every 3 minutes until you gain police assistance with suspicious people
- Call a neighbor or our Association (773-531-6370) to gain police response

- If you are confronted, do not challenge armed criminals
- Do not chase after criminals
- Memorize characteristics: shoes, height, facial features
- Call 911 with details and call again if details change
- If physically detained or pulled, sit on ground and go limp

VEHICLE SAFETY

- Never leave valuables, packages, bags/empty bags, GPS systems or phone chargers inside car
(Before arriving at destination, put valuables and packages in trunk.)
- Have hands ready when you reach your vehicle
- Do not sit in vehicle on phone for extended time making yourself a victim to criminal car-jacking
- Don't leave car running unattended
- Beware "Bump & Rob" where criminals hit you from behind, then steal car when you exit to check damage
If accident occurs, do not exit vehicle. Write down license plate/details of other car, call 911, wait for police. If necessary, drive to nearby police station and make a report there.
- Do not exit car in garage with garage door open

BUILDING SAFETY

- Reinforce exterior doors with metal frames
- Install exterior lights and cameras around building & alley
- Install camera-recording warning signs
- Keep exterior and interior building lights on at night

COUNTERFEIT MONEY PREVENTION

- Train employees to seek counterfeit \$100, \$50, \$20, \$10, \$5 bills
- Train employees to feel for counterfeit paper texture and weight
- Get counterfeit-prevention tips at www.newmoney.gov and www.secretservice.gov

PACKAGE DELIVERY PROTECTION
