July 18 Meeting Agenda

Public Safety

- Recent crime trends
- Concerns about pedestrian robberies & assaults
- Concerns about some scooters & bicycles
- Safety solutions

Traffic Management

- Concern over city proposal to convert streets to one-ways
- One-ways could exacerbate traffic congestion & safety concerns
- Improve CTA bus service
- Reduce high volume of ride-share & taxi vehicles via parking solutions

Off-Street Parking for Construction Workers

- New citywide standard for developments receiving zoning changes
- Written agreements with City of Chicago identifying off-street lots
- No cost to construction workers

Parking Meters on Randolph St. from Sangamon St. to Racine St.

- Needed for Randolph St. businesses
- 8am-10pm daily like Washington Bl.
- Avoids all-day and all-week parking problems
- Provides parking relief for residents, businesses & employees
