Avoid Being a Crime Victim • Be Ready to Act & Be Ready to Work with the Chicago Police

- Be ALERT in the public way - - Be READY to respond
- Minimize valuables on your person & in your vehicle in case you're a victim
- Call 911 if there's an emergency - - Call 911 if there's anything suspicious - - Call 911 if details change
- Call the police non-emergency number to report property crimes: 312-746-6600
- Report all crimes to the police - - Report all crimes to FMA, so we can track local trends & issue safety alerts
- Install exterior cameras & lights around your building perimeter - - ComEd offers cash back for energy-efficient lights

Prevent Pedestrian Attacks

- Don't be distracted by phones or earbuds when walking - - Look ahead and around
- Personal attacks can happen INSTANTLY - - Criminals work in teams to outnumber their victims
- Carry a personal protection device such as a spray or whistle
- While walking, don't carry large bags or boxes to your destination - - Drop items off first using your vehicle, then walk
- Walk short distances - - Walk with others especially at night
- Be READY TO RESPOND - - Run, call for help, blow a whistle, call 911 - - Or comply with the criminals' demands

Prevent Vehicle Break-Ins & Vehicle Thefts

- Never leave visible valuables inside your vehicle - - Electronics, chargers, GPS, bags, boxes, cash/coins
- Never leave vehicle running unattended with keys inside - - Vehicle theft can happen INSTANTANEOUSLY
- Retail & service businesses can post window warnings for people to hide their valuables - - Contact FMA for assistance

Prevent Armed Robberies & Vehicle Carjackings

- Look around at all times - - Criminals are walking & driving around in strategic teams
- If you face a gun robbery, COMPLY with the criminal's request - - Often, criminals with guns hit their victims
- If you have a vehicle accident, stay inside & call 911 - - Criminals commit rear-end accidents deliberately to lure victims

Prevent Building Break-Ins

- Install exterior cameras & lights around building perimeter especially next to alleys
- Install exterior motion-sensors & audio warning speakers
- Ensure safe windows & doors especially for exit doors next to alleys

Prevent Crimes Inside Businesses

- Cash businesses should have strict safety protocols - - Businesses with ATM machines are high targets
- Beware shoplifters & thieves sneaking into your back rooms - - Beware counterfeiters

Prevent Illegal Graffiti Vandalism on Buildings, Dumpsters & City Signs/Sidewalks/Structures

- Report graffiti crimes to FMA - - If applicable, we can contact City Hall for free graffiti removal service
- Report graffiti dumpster crimes to your garbage/recycling hauling company - - They will switch out dumpsters for free

Prevent Illegal Garbage Dumping on the Public Way

- Report illegal public garbage to FMA - - We can contact the city's sanitation department
- Look around your building perimeter daily for illegal garbage, illegal drugs, broken glass or evidence of illegal conduct.
